Our Vision:

St. Ann's Academy inspires achievement and instills faith in its students and others who support its mission.

We manage our resources well so a quality education is affordable to all families in the area who want their children to have a faith-based education that can provide a sound emotional and spiritual foundation for life.

Mission:

St. Ann's Academy exists to provide a Catholic education in the Hornell area so that our children can learn in an environment that enables them to become well-grounded spiritually and exceptional academically.

St. Ann's Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school.

This is an important fundraiser because it helps us balance the budget while keeping parents' tuition affordable.
